

The Community Partnership Program

The Community Partnership Program is a vehicle for businesses and organizations to support Musicians of the Old Post Road at any donation level. Old Post Road is committed to bringing quality live performances to the communities of central and eastern Massachusetts. Our concerts bring a sense of history to the community by performing in local historical sites with music and instruments of the period.

Through this program, businesses and organizations are empowered to improve and strengthen their communities by supporting those who bring culture to them. Small and large businesses as well as community organizations are encouraged to participate. You can be a member of the Community Partnership Program with a \$50 donation or higher. As a donor, your name will be listed in each series concert program book along with contact information. (Please refer to the attached Community Partnership page for an example of this listing.)
